SHURE

STEM ECOSYSTEM™

Large Conference Room Reference Design

This reference design highlights just one of many ways you can configure Stem into your large sized conference rooms. In the design you can see two Stem Ceiling's and a Wall paired with Stem Hub and Control. Each device is connected to the network via a single Ethernet cable. The beautiful thing about the ecosystem is the freedom to mix and match Stem devices to create your own customized setup. With Stem you can design your rooms to fit your needs.
Mix and match all Stem devices for a customized audio solution.

Set up, control, and manage your rooms and devices on your network.

Stem solutions are compatible with your favorite conferencing platforms.

How It All Connects

Internet   Firewall   Router

Switch

PoE+ Switch

Server

Ceiling

Stem Ceiling x2

On the Wall

Stem Wall
