YOU'RE ON

# JABRA PRO 925/935 SERIES

MOBILITY WITHIN YOUR REACH.

## INCREASE YOUR WIRELESS MOBILITY

The Jabra PRO 925 and PRO 935 puts the freedom and convenience of wireless communication within everyone's reach. With unsurpassed 12-hour battery life, you can keep the conversation going, worry-free and walk away from your desk to achieve improved collaboration, multi-tasking and productivity!

When you transfer your calls to your mobile device, you can use the same headset to continue your conversation as you walk out the door.

## GET MORE FROM THE TOOLS YOU ALREADY HAVE

You can easily pair any Bluetooth device to the Jabra PRO 925 or PRO 935. Or if your device is equipped with Near Field Communications technology (NFC), pairing is as easy as a simple touch.

## MAKE AND TAKE HANDS-FREE CALLS WITH ONE EASY-TO-USE WIRELESS HEADSET

The Jabra PRO 925 is optimized for use with all leading desk phone systems and mobile devices. The Jabra PRO 935 is optimized for all leading Unified Communications platforms and mobile devices.

## JABRA PRO 925

For desk phone and mobile phone connectivity

## JABRA PRO 935

For soft phone and mobile phone connectivity

## FUTURE-PROOF YOUR INVESTMENT WITH FREE SOFTWARE UPGRADES FROM JABRA

The Jabra PRO 900 series is 100% software-based, allowing you to upgrade your headset with Jabra Xpress or Jabra PC Suite without incurring additional costs.

**JABRA PRO 925 AND PRO 935**

**Simple set up**

With simple plug-and-play installation, the Jabra PRO 925 and PRO 935 are easy to set up and use, with no technical expertise or extensive training required.

**Personalized ringtones**

Easily distinguish your phone from your colleagues' with adjustable ringtone volume and choose from up to five different selectable ringtones.

**Tap-to-connect pairs devices with a simple touch**

Just tap the phone and the Jabra device together and you are ready to talk or stream your music.

**Unprecedented battery life**

You can talk and work as long as you want, up to 12 hours on a single charge.

**Easy to manage calls and multitask on your terms**

Answer and end calls up to 300 feet (100 meters) away from your desk with remote call control on your headset. For ultimate productivity while on the go, you can also transfer calls from the headset base to your mobile device.

**Easy to support**

You can customize and control your audio device settings and remote configurations with Jabra's software applications at no additional charge. Alternatively, IT management can consistently inventory, configure and push updates to your company's Jabra audio devices 100% remotely using Jabra Xpress— saving countless hours in deployment time.

**Crystal clear sound**

Enjoy high-definition sound with HD Voice for intelligible communication and vibrant conversations.

**Hearing protection**

Jabra's SafeTone™ technology clips off loud sounds before they can damage your hearing and ensures safe average sound levels.

**Noise canceling microphone**

Reduces unwanted background noise and is ideal in crowded and noisy, and open office environments.

**Enhanced hearing protection**

Jabra SafeTone™, Jabra PeakStop™, and Jabra Intelli-Tone™ limits average volume exposure during your workday in accordance with acoustic standards and workplace regulations.

**Talk in Comfort**

A light, ergonomic design along with soft ear cushion, adjustable headband and microphone boom arm, ensure all day comfort.
