

Adjustable screen height

Adjustable screen height from 47" to 59" sliding along the aluminum main post for perfect viewing level.

Standard video tray

The video tray is a standard attachment for AVF1500-60-1P. This video tray enables to adjust height vertically freely within the slot for perfect video conference position.

Tilt angle adjustment

Full tilting range from +8° to -4° provides ideal and best viewing angle.

Solid extrusion aluminum alloy column provides stable and rigid support for TV panel!

Integrated cable management system

Internal cable management allows cables and wires to be routed inside the column for clean, clutter-free look.

Swivable caster brake wheels

Carts come with 3" swivable caster brake wheels provide you with easy maneuvers to any direction and position.

Cast aluminum alloy base with highly polished finished surface has the class of its own!

Adjustable AV shelf height

This plastic shelf holds AV components and accessories up to 10lbs (4.5 kg).
