

EVOLVE 75e

Engineered to be the world's first professional UC-certified wireless earbuds

Professional sound. The way you want to wear it.

Microsoft Teams certified three-microphone technology creates a unique talk-zone, making sure you're heard, while other nearby voices are filtered out. With an around-the-neck, wireless earbud design.

Powerful at work. Fully concentrate, whatever the noise around you.

Focus with Active Noise Cancellation, and integrated busylight lets colleagues know you are not to be disturbed.

Calls and music that lasts as long as you need it. All day long.

Enjoy up to 14 hours of battery life, and fully charge the earbuds in just 2 hours.

Multiple fitting options

Personalized fit for an improved experience. Multiple fitting options for EarGels™ and EarWings give amazing comfort throughout the day.

Smart controls for work and play

Five buttons for quick control of calls and music, including a smart button for one-touch access to MS Cortana, Siri® and Google Assistant™ and a vibrating neckband to give silent notifications.

Connects to:

HOW TO START AND PAIR

Ensure the earbuds are powered off, and then hold 3 sec. the Multi-function button until the LED flashes blue. Follow the voice instructions to pair to your smartphone.

Plug the pre-paired Link 370 Bluetooth® adapter into a USB port on your computer. Press the Multi-function button to power on the earbuds.

HOW TO FIT

Select the correct EarGel™ and EarWing. For optimal audio quality, mix and match the different EarGel™ and EarWing sizes to find the best fit for your ear.
