

EVOLVE 75e

## Engineered to be the world's first professional UC-certified wireless earbuds

### Professional sound. The way you want to wear it.

Microsoft Teams certified three-microphone technology creates a unique talk-zone, making sure you're heard, while other nearby voices are filtered out. With an around-the-neck, wireless earbud design.

### Powerful at work. Fully concentrate, whatever the noise around you.

Focus with Active Noise Cancellation, and integrated busylight lets colleagues know you are not to be disturbed.

### Calls and music that lasts as long as you need it. All day long.

Enjoy up to 14 hours of battery life, and fully charge the earbuds in just 2 hours.

### Multiple fitting options

Personalized fit for an improved experience. Multiple fitting options for EarGels™ and EarWings give amazing comfort throughout the day.

### Smart controls for work and play

Five buttons for quick control of calls and music, including a smart button for one-touch access to MS Cortana, Siri® and Google Assistant™ and a vibrating neckband to give silent notifications.
