

# Poly Sync 10 Microsoft Teams Certified Speakerphone

## Instant conference room

Turn your home office into a conference room. The all-in-one Poly Sync 10 USB speakerphone delivers high-quality audio that's great for voice and music. Its two-microphone array reduces surrounding noise for better conference calls.

\*Product image may differ from actual product

### Simple to use

User-friendly, worry-free operation for the confidence of knowing your calls will go smoothly. Easy-to-use touch-sensitive controls, clear LED indicators, and clear, bright call status light bar.

### Hear and be heard

Dynamic audio that makes conference calls seamless and clear. A two-microphone array keeps surrounding noise out of your call. And full-duplex audio enables simultaneous conversations so everyone on the call can be heard.

### Works the way you do

Durable and space saving, this IP64 dust- and water-resistant speakerphone fits your workstyle. Use your favorite collaboration apps without hassle and free up table space with its slim, dynamic design.

### Two-microphone array

Experience conference calls with outside noise and distractions tuned out. A two-microphone array focuses on your voice – not the surrounding noise.

### Hi-fi audio and power amplifier

Expect high-quality performance for calls and while listening to podcasts or music thanks to the reliable, enterprise-grade hi-fi audio and power amplifier.

### Full-duplex audio

Collaboration gets tough when one voice dominates the conversation. Full-duplex audio makes simultaneous conversations a breeze.
