MAXHUB®

UC M31 Camera

180° Plug And Play Ready.

3-Year Hot-Swap Warranty

MAXHUB UC M31 180 Degree 4K Web Camera

The MAXHUB UC M31 is the perfect camera for small to large conference rooms. The camera employs new video layouts that let you switch views quick and easy. Get up and running fast with a simple plug and play system. With advanced panoramic camera stitching algorithms, MAXHUB the M31 allows users to see the entire room in picture perfect clarity. The hardware in the cameras boast an 1/2.8" SONY sensor while the software does it even better with the ability to track the speaker, adjust frame of view, and be controlled remotely via RDP technology. The best web camera on the market should also come equipped with a warranty to match, which MAXHUB has implemented in their entire UC line with a 3-Year Hot Swap Policy.

MAXHUB® UC M31 180° CAMERA
